Declaration by applicant seeking credit

I am duly authorised by the applicant business to enter into this agreement on it's behalf. We agree to pay your invoices strictly in accordance with the credit terms stated thereon. Failure to do so may result in the matter being referred to a debt recovery agency for recovery of the invoice debt; if so, we agree to indemnify you against the costs you incur in referring the matter to them to pursue the debt, including their current applicable fees for writing to us, any commission payable by you to them, all reasonable incidental costs of recovering the debt, and interest as applicable.

I authorise our bankers to provide an opinion as to our suitability for the requested account.

We acknowledge that all goods are only accepted for UK carriage subject to RHA 1998 conditions of carriage. For carriage including movement both within and outside the UK, or exclusively outside the UK, all goods are only accepted subject to the Convention on the Contract for the International Carriage of Goods by Road (CMR). We recognise the fact that copies of both documents are available either on request from your offices, or can be viewed and downloaded at www.chilterntransport.co.uk/extra_services.htm.
